Internal Academic Goals

GOAL 1:  
By Spring 2023, students in grades K-8 will show at least 1 year growth in reading school wide.

Metric: NWEA

Explanation: Students did not show 1 year growth in all areas. NWEA data shows that students in grades K-8 showed 0.89 percent growth school wide in reading last Spring. Only three classes showed a year’s growth. The NWEA will be administered in the Fall, Winter, and Spring.

GOAL 2:  
By Spring 2023, students in grades K-8 will show at least 1 year growth in math school wide.

Metric: NWEA

Explanation: Students did not show 1 year growth. NWEA data shows that students in grades K-8 showed 0.69 percent growth school wide in math. Four classes were able to show a year’s growth. The NWEA will be administered in the Fall, Winter, and Spring.
GOAL 3:  
Short Cycle Assessments (SCA’s) are scheduled to be given approximately every six weeks throughout the 2022-2023 school year. SCAs are designed to provide formative information for planning and creating lessons that provide differentiation. 80% of students will reach their target score or better in reading in grades K-8.

Metric: NWEA

GOAL 4:  
Short Cycle Assessments (SCA's) are scheduled to be given approximately every six weeks throughout the 2022-2023 school year. SCAs are designed to provide formative information for planning and creating lessons that provide differentiation. 80% of students will reach their target score or better in math in grades K-8.

## 2021 - 2022 Report Card for Phoenix Community Learning Ctr

The Ohio School Report Cards include performance information provided by schools and districts including academic, financial, and opportunity to learn data. Some of this data is then combined into six components that receive star ratings to indicate the level of performance for the school and district.

### Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall.

- **Performance Index**: 37.3%

### Progress

This component looks closely at the growth all students are making based on their past performances.

- **Overall**:

### Gap Closing

The Gap Closing Component is a measure of the reduction in educational gaps for student subgroups.

- **Annual Performance Goals**: 21.2%

### Graduation

The Graduation Component is a measure of the four-year adjusted cohort graduation rate and the five-year adjusted cohort graduation rate.

- **Graduation Rates**: 100.0% of students graduated in 5 years

### Early Literacy

This component looks at how successful schools are at improving reading for at-risk students in grades K-3.

- **Improving K-3 Literacy**: 16.9%
- **Third Grade Reading Proficiency**: 20.0%
- **Promotion to Fourth Grade**: 100.0%

### College, Career, Workforce and Military Readiness

This component looks at how well-prepared Ohio's students are for future opportunities, whether training in a technical field or preparing for work or college.

- **Students who are Ready**: NC
